To whom it may concern:

This letter serves as my recommendation of the services provided by J Oldham Holdings Inc, namely Jesse Oldham.

For the past eleven years I have owned and operated Slocan Yard and House Care – a New Denver, BC based landscaping and property management firm.

Part of my business involves hiring local tradespeople to deal with various issues that arise as part of my property management work.

I have employed J Oldham Holdings Inc. from time to time to deal with various building renovation and repair needs. During that time I have been very satisfied with the work provided by the aforementioned business.

Over the years I have looked after several houses built by Jesse and have found them all to be of the highest quality and workmanship.

Jesse has also done personal work for me, most recently a fully finished 24' x 24' garage complete with electrical service.

Working with Jesse over the years I have found his ability to deal with required processes – eg. communicating with people and government agencies, reading blueprints and construction plans, scheduling various subtrades, invoicing and quoting and in general his overall professionalism – to be of the highest level.

In closing, I constantly recommend Jesse's services to many people in this area that I encounter as part of my business and I also recommend him to friends and personal acquaintances.

I highly endorse J. Oldham Holdings Inc. for any construction related and new home building requirements.

Sincerely,

COLIN C. MOSS
